- Week 13 Aug 24 - 28 Olympic Week

* Le Petit camp offered

Week 7 Fun recreation tournament

This week is designed to allow recreational players to experience playing singles and doubles games in a fun, social, competitive environment. Players will be grouped into red, orange and green ball divisions. While not playing campers will learn how to be umpires, ball kids and learn how to run a round robin event. Kids will be given tasks on how to lead and run an event.

- Full day only 9 am - 4 pm
- \$159.00

Week 13 Olympic Teams Week

Campers will be drafted on teams of similar age and skill level. Teams will compete against each other in a variety of sports and activities.

- Full day only 9 am - 4 pm
- \$159.00

BOYS & GIRLS 6 - 15 YRS

Camp Time Cost

- Full Day Camp 9 am - 4:30 pm \$179
- Half Day Camp 9 am - 12 pm \$99
- Le Petit Camp 9 am - 12 pm \$89
-

* Week 5 camp will be pro rated

Complimentary 7:45 am drop off
and
5:30 pm pick up

*Le Petit Tennis is for ages 4-5

Play Safe Summer Camps

PHYSICAL DISTANCING

To meet the physical distancing (PD) requirements laid out by Tennis Canada, Tennis NB, and the Provincial Government, below are a few examples we will be implementing to our summer camps.

- Limited participants
- PD in early drop off, during lunch, and late pick up.
- Team activities
- Active screening
- Required coach to student ratio
- All required cleaning and disinfecting

ACTIVITIES

We are fortunate to offer both indoor and outdoor activities in our summer camps. Accessing the wood lot for casual hiking or the turf field for outdoor non-contact games, campers will experience a variety of safe, fun healthy activities.

DAILY FORMAT

We will group kids according to age and skill level. Kids will stay in the same group for the week with the same pro. When interacting with compatible groups social distancing guidelines will be followed. Coaches will handle all the equipment and a fewer number of balls will be used. All activities will follow the respective return to safe play policies.

GENERAL

The center will provide hand sanitizer stations, regular washroom, lounge and other contact points cleaning and disinfecting. All GNB and WorkSafeNB Operational Plans will be implemented.

ABOUT

Our philosophy is to give kids the opportunity through sport to learn leadership skills at a young age. Building confidence, sportsmanship, team work and communication will help develop life skills.

Learn

Our instructors are certified Tennis Canada instructors. Coaching through a game-based approach, kids will learn technical and tactical skills in a fun safe environment.

Experience

Kids will be given the opportunity to learn to play various activities as a team as well as an individual. Kids will also experience nature through our interactive outdoor sessions.

Adapt

By being exposed to different activities, we believe kids learn to adapt to challenges they will encounter in sport and life.

Develop

Kids will learn physical literacy skills that encourage movement, agility, coordination and dexterity to use in all sports.

WHERE

We have the perfect setting to run our summer sport camps: our indoor six court, temperature-controlled tennis facility; access to a turf field, both surrounded by our beautiful woodlot, will provide the kids with plenty of fun healthy activities.

OUR PHILOSOPHY

Training simultaneously in multiple sports benefits children's athletic development in many ways. Physical mobility and dexterity is honed through varied practiced skills.

Transferring those skill sets from one sport to another is what creates a successful all-around athlete.

Understanding important life accomplishments through sport is an effective way to build self-confidence in youth. With each different sport there are different levels of success that kids can achieve, both big and small. As kids succeed in sports, their self-confidence increases as they begin to understand they can overcome obstacles that may stand in their way, both in sport and in life.

Creating that link between sport and life at a young age is critical in developing an athlete and a mentally tough person throughout the rest of their lives.
